📍 Nižná Hutka, Slovak Republic

Date of birth: 8 September 2006

Education

Secondary Industrial School of Electrical Engineering Information and Network Technologies, Slovakia

SEP 2022 - Until now

About me

I am a high school student specializing in web development. I'm dedicated, communicative, goal-oriented, and always eager to learn. My projects have taught me valuable skills and practical experience. There's also a QR code linking to my portfolio.

Projects

Trust - A Christian site with many features created with Next.js, MongoDB database and Clerk auth

E-commerce - Imaginary e-commerce site, connected with a functional Stripe payment gateway.

Spotify-clone - an imitation of the Spotify music platform with the Supabase database

Flappi - The famous game Flappy Bird remade in Python with Menu.

Languages

Slovak language - Native Speaker

German language - Beginner (A1)

English language - Intermediate (B1)
