About me

I am a high school student specializing in web development. I'm dedicated, communicative, goal-oriented, and always eager to learn. My projects have taught me valuable skills and practical experience. There's also a QR code linking to my portfolio.

Projects

Srdcom i telom - E-shop offering products that combine Christian and sports motifs

Trust - A Christian site with many features created with Next.js, MongoDB database and Clerk auth

Apollo 11 - Design-focused page about the Apollo 11 mission

Sociometrix- Platform focused on sociometry and classroom relationships

Languages

Slovak language - Native Speaker

German language - (A1)

English language - (B2)
